Paediatric Research
for the Future of **Children**.

PAEDIATRIC RESEARCH FOR THE FUTURE OF CHILDREN (PRFC) A GLOBAL FORUM

Leading and emerging scientists from across the globe will gather for the **Paediatric Research for the Future of Children (PRFC)**, an intimate and high-impact forum led by the **European Society for Paediatric Research (ESPR)** and the **Society for Pediatric Research (SPR)**. PRFC seeks to chart the course for global leadership in paediatric research by examining future trends and fostering innovation on a global scale.

*Join us on 11- 13 February 2026, in Geneva, Switzerland, for
this inaugural forum in paediatric research.*
